CHILD CARE & EARLY EDUCATION
by one hope united.

NOW ENROLLING!

ELGIN CHILD & FAMILY RESOURCE CENTER

Our experienced staff customize curriculum based on the individual strengths, temperament, observations and formal assessments to foster children's developmental growth and encourage creative expression. We strengthen children's cognitive and socio-emotional development by using creative curriculum to prepare children for kindergarten and beyond.

We take pride in cultivating a family centered environment that encourages every child and family to experience life without limits!

- We are NAEYC and ExceleRate Illinois accredited.
- You'll get updates from the day on our Tadpoles app.
- We have family-focused events.
- We complete strength-based assessments that we use when creating our lesson plans which promotes resilience in children ages six weeks to five-years-old.
